Dear Valley Park Community:

A demanding and unusual but productive school year is quickly drawing to a close. Together we have persevered, weathered the storm, and succeeded in prioritizing our students' and staff's health and wellness, and provided a supportive, personalized environment in which students will grow strong intellectually, emotionally, physically, and socially today in preparation for tomorrow.

I want to once again extend my heartfelt thanks and appreciation to our entire Valley Park Community. Thank you for your patience, your grace, and your forgiveness. Your unwavering support made this year possible. We were not always perfect in our response to the changes and challenges we encountered during this unimaginable pandemic, but we were always purposeful in doing the very best we could for our students each and every day regardless of the obstacles. Thank you for adjusting quickly, being resilient, and partnering with us. Your commitment to our schools is paramount to the success of all students, and we sincerely appreciate your partnership.

In addition to our students and families, our Valley Park faculty and staff are to be applauded for how they have embraced the rewards and challenges of educating students during a pandemic. I am privileged to be a part of a district with creative, caring, and committed teachers and support staff. There has never been a time when being an educator has been more demanding or essential. Our team has been heroic in meeting the social, emotional, and academic needs of our students. Thank you for your energy, passion, persistence, and enthusiasm. There is no denying that this has been a challenging year. You were remarkable and exceeded all expectations! Thank you for showing up every day and caring for our students. Your empathy, creativity, kindness, and dedication inspired us and provided hope when we needed it most.

Thank you all again for your unparalleled partnership and support during this challenging year. On behalf of the Board of Education and our district, we hope you and your families have a joyful, rejuvenating, and safe summer.

Sincerely,

Dr. Tim Dilg
Superintendent
