STRATEGIC PLAN VIRTUAL FOCUS GROUP VOLUNTEERS

March 12, 2021

Dear Valley Park Families:

Thank you to everyone who took the time to complete our 2021 Community perception survey. We had over 550 responses! Your feedback will help inform the design of our new strategic plan that will guide our school district on a continuous improvement journey over the next few years. We greatly appreciate your voice and input.

The Valley Park School District is dedicated to providing a supportive, personalized environment where students will grow strong intellectually, emotionally, physically, and socially today in preparation for tomorrow. The next stage of our strategic planning process will solicit input from our students, parents, community members, and staff through focus groups.
